

# Tolmus®

Tolperisone Hydrochloride  
Tablet

---

## Description

Tolmus® (Tolperisone Hydrochloride) is a centrally acting muscle relaxant that has been used for the symptomatic treatment of spasticity and muscle spasm. It effectively reduces muscular hypertonicity, improves peripheral blood flow by vasodilatation and reduces pain.

## Indications

Treatment of painful musculoskeletal disorders with hypermyotonia and decreased motility, especially those resulting from spinal cord injuries, osteoporosis, arthritis, and spasticity. It has also been effective in lumbosacral pain, neurolathyrism, knee arthritis, peripheral circulatory diseases, climacteric muscular and vascular complaints, trismus, myogenous headaches, rheumatic diseases accompanied by muscular hypertonia, spasms, pain, inflammatory symptoms and limited motion, and in the post-surgical treatment of traumatologic patients.

## Dosage & Administration

*Adult:* 150-450 mg daily, administered in 2 or 3 divided doses. The maximum dosage is 450 mg/day.

*Children: (from 3 months to 6 years):* 1-2 mg/kg/day in 3 divided doses.

*Children: (from 6-14 years):* 2-4 mg/kg/day in 3 divided doses.

## Side Effects

Diarrhea, dizziness, drowsiness, dryness of the mouth, fall of blood pressure, fatigue, gastric complaints, headaches, hypersensitivity, itching, muscle pain, muscle weakness, rash, and somnolence.

## Use in Pregnancy and Lactation

Tolperisone Hydrochloride should be used in pregnancy according to physician's advice. Tolperisone hydrochloride should not be used during breast-feeding.

## Contraindications

Hypersensitivity, Myasthenia Gravis and nursing mother.

## Precaution

In case of children, the prescribed dose and duration of treatment should closely be observed.

## Drug Interactions

Concomitant use of Methocarbamol with Tolperisone Hydrochloride has been reported to cause disturbance of visual accommodation.

## Pharmaceutical Precautions

Tolperisone Hydrochloride should be stored below 30° C. Keep out of reach of children.

## Commercial Pack

Tolmus® Tablet: Box contains 100 tablets in 10 x 10's alu-alu form packs. Each tablet contains Tolperisone Hydrochloride INN 50 mg.
